

At Northern Restoration we specialise in all aspects of exterior cleaning and restoration services for the residential and commercial sectors throughout the north. Based in Leeds, we propose to be your “one stop shop” for all of your grounds and building maintenance needs, taking full responsibility, all year round.

Northern Restoration is fully insured to deal with all aspects of High Pressure Water Jetting and Exterior Cleaning/Restoration Services (£10 million employees liability and £5 million public liability). We are also members of Construction Line and the Safe Contractor Accreditation Scheme ensuring we are always up to date with government standards and Health & Safety requirements.
